

Gerakina

Kinise i Gerakina
ya nero krio na feri.

Chorus:

Drun drun drun drun drun
ta vrakhiolya tis vrondhun.

Ki'epese mes sto pigadi
ki'evghale foni megali.

K'etrekse o kosmos olos
k'etrekse ki'ego o kaimenos.

Gerakina tha se vghalo
ke yineka tha se paro.

Gerakina took off
to bring cold water.

Drun drun drun drun drun
Her bracelets jingle.

And she fell into the well
and she let out a loud scream.

And everybody ran
and poor me, I ran too.

Gerakina, I shall take you out
and I shall make you my wife.
