

Libavtini

Libavtini achoti kala
Libavtini ba'achat me'einayich
Ma yafu dodayich
Achoti kala
Verei'ach salmotayich kerei'ach Levanon

You captured my heart, my sister, my bride
You captured my heart with one of your eyes
How beautiful is your love(making),
My sister, my bride
And the aroma of your dresses is like the aroma of Lebanon
