How do you live without me?  
Oh my dear, my girl,  
How do you live without me?  
Without you I do just fine,  
You without me can't get along.  
Without you I do just fine,  
You without me can't get along.

O girl, o sweet yellow pear,  
You wish you were a man.  
O girl, o sweet yellow pear,  
You wish you were a man.

So you can kiss the girls.

So you can kiss the girls.
