

SACRISTAIN

Presented by: Léon and Suzanne Rautureau

Formation: Dance for 4 couples. Women start in the middle with a right-hand star. Men start on the outside four corners, facing the women (of course).

Part A Women turn for 16 counts with left arm swinging loosely at side. Men clap their hands.

Part B “Accrochez-vous”
Women put their hands on their hips and the men hook on as they pass by (you can change partners at this point) and turn with the women for a total of 16 counts).

Part C Polka as a couple for two complete musical phrases.

REPEAT the dance with the men in the middle. The last time through the dance, double Part C.
